Please do not register to receive the Christmas Card Template Kit unless you are fully committed to this project. If you do not take part after the Kit has been sent, a lot of material will be wasted and we are all keen to reduce waste and the negative impact it has on our environment. If you are not sure that you are fully committed to the project please call us on 01359 240500 for more information before you register.

Colours may vary between the original artwork, proof samples and the finished cards. This variation is due to the fact that different types of media will scan differently and that we print both the samples and finished cards on a number of printers, so slight colour variations can be expected.
